

God is the sower and we are the soil. Some of us are very good soil, but the others are not. Nevertheless, the important thing is that God is equal to everyone and sows the seed on all kinds of soil. No matter what kind of soil you are, the seed was sown on you by God. Furthermore, Jesus says in today's gospel that the kingdom of heaven is like a treasure buried in a field. Since we are the soil, the treasure is buried in us.

We may think that we are just rocky ground or thorns which cannot produce any fruit. But God sees the hidden treasure buried deeply in us. He likes to protect it. He never wants anyone to destroy it. He sells all that he has and buys this field. He sacrifices everything to protect and to get this treasure we have.

We possess the precious treasure. Everyone has this precious treasure. We are nothing but very valuable ones to God. We thank God for his infinite love for us.
